The diagram is a detailed plan of a sewerage network. It shows three lots: LOTTO N° 1, LOTTO N° 2, and LOTTO N° 3. LOTTO N° 1 is a large rectangular area with a green central zone. LOTTO N° 2 is a triangular area with a yellow central zone. LOTTO N° 3 is a rectangular area with a green central zone. A private area (AREA PRIVATA) is located between LOTTO N° 1 and LOTTO N° 2. A future road (FUTURA VIABILITA' PREVISTA DAL P.R.G.C.) is shown on the right side. The plan includes a north arrow and a scale bar. The sewerage network is shown with red lines for existing and projected pipes, and grey squares for existing and projected manholes. The plan also shows the location of the sewerage network relative to the surrounding roads and buildings.
